## NARRATIVE

This survey was done at the request of the Kim Rollins. The purpose of the survey was to locate and monument the Rollins property located in Block 9 of the original plat of the Town of Imbler. Surveys 41-79 and 12-83 established and monumented the intersections in the Town of Imbler. I used the monuments from these surveys to establish the location of the exterior of Block 7. I proportioned the lot lines in the standard manner and set my monuments accordingly. I find no unusual conditions with this survey.
