NARRATIVE

This survey was done at the request of Gerard Duberow, representative for Forest Capital Partners LLC. Mr. Duberow wanted the ownership in the Southeast quarter of Section 25 monumented and the line posted. Additional posting was done along the West line of the Northwest quarter of the Southeast quarter at the request of Sheldon Strand. The section was originally subdivided in Survey Number 027-1997. This survey further subdivided the section as per the BLM Manual of Instructions (1973). I find no unusual conditions with this survey.
