NARRATIVE

This survey was done at the request of Kirk Fenley, ranch manager for Lowe Family Ranches, owner of the land within. Mr. Fenley wanted the East line of the Lowe ownership in Section 27 monumented and posted with steel fence posts and the North line of the Lowe ownership within Sections 34, 35 and the West half of 36 posted. The existing fence falls away from the deeded ownership as shown. The existing fenceline as depicted on the map reflects conditions found as of January 22, 2009. Monumentation records of corners set are filed separately. I find no other unusual conditions with this survey.
