## NARRATIVE

This survey was done at the request of Norm Paullus on behalf of the City of La Grande. The purpose of this survey is to replace the monument at the intersection of Fourth Street and C Ave that was removed in the process of construction. I base this survey on Survey Number 028-2005 that replaced monuments along Fourth Street originally set by the 1922 monumentation survey (Survey Number 18-89). I find no unusual conditions with this survey.
