NARRATIVE

This survey was done at the request of Matt Haggerty, on behalf of Oregon Trail Electric Consumers Cooperative. Mr. Haggerty wanted to replace the SW corner of Parcel 3 of Partition Plat 20090009T which was removed when replacing a power pole. I find monuments set by Partition Plat 20090009T in place and in good condition, with the exception of the SE corner of Parcel 3. I replace the missing pin at record position. I find no unusual conditions with this survey.
