NARRATIVE

This survey was done at the request of Randy Glenn. Mr. Glenn wanted to adjust a portion of his property into the Summerville Cemetery. This will be a two phase process, as the second phase would involve the removal of a hay shed. Extérieurs of the property were established by Survey Number 023-2015 and I find monuments set by said survey harmonious with record measurements. I place the dividing line at the direction of Mr. Glenn. For purposes of this adjustment I use the smallest discrete parcel owned by the Summerville Cemetery district that falls adjacent to the adjusted line. I find no unusual conditions with this survey.
