

Union County Owner Will Maintain Agreement

As a property owner in Union County, I understand that the county uses various herbicides for weed control along county right-of-ways. I also understand that I may request the county not use herbicides along right-of-ways adjacent to my property. It then becomes **My Responsibility** to control vegetation along said right-of-way.

Release:

I request that Union County **Does Not** spray at the specified location listed below. I agree to mark the area **Owner Will Maintain** in a manner specified by the county authority, and it will be my responsibility to keep area posted (with supplied sign) in a way that the sign will be visible from the road. I also agree to **Control Undesired Vegetation** along said right-of-way within 10 days of signing this form. I also agree to assume to all risk attendant to my control of vegetation along said right-of-way and to defend and hold Union County and its elected officials and employees harmless from any and all claims, cost, and damages which may result from my vegetation control activities. I also agree to annually renew my **Owner Will Maintain** agreement.
