

**Upper Grande Ronde River Watershed Partnership  
Place-Based Integrated Water Resources Planning  
Stakeholder Committee Meeting No. 28  
Misener Room  
February 26, 2020 (4pm to 6pm)**

**I. Welcome (10 minutes)**

- a. Introductions*
- b. Recap of January 8, 2020 Stakeholder meeting*
  - i. Discussed target issues
  - ii. Conducted listening exercise
  - iii. Feedback - Decided we needed presentations on two topics (underground storage and on-channel storage). Decided we needed to refine goals and objectives.
- c. Purpose of tonight's meeting*
  - i. Understand underground storage and on-channel storage through presentations and questions
  - ii. Clarify and agree to goals and objectives
- d. Meeting guidelines*

**II. Presentations (1 hour)**

- a. On-Channel Storage (Presented by Sara of NMFS)
- b. 5 minute break
- c. Underground Storage (Presented by Anton of CTUIR)

**III. Goals, Objectives, and Strategies Discussion (1 hour)**

- a. Go over handout
- b. Discuss goals and objectives – (consensus vote to approve goals and objectives if the group is ready)

**IV. Next Steps**

- a. Next meeting we will discuss geographic locations that strategies apply to and have a consensus vote on our prioritized list of strategies (if the group is ready)
- b. Next we will finalize our step 4 report (will contain action plans)
- c. Then we will begin on Step 5 – which summarizes steps 1-4 and creates an implementation plan. Step 5 guidance will be sent out after this meeting. We will generally focus on top strategies, with opportunistic work occurring for all strategies.

**V. Conclusion (5 minutes)**

- a. Next meeting is March 18, 2020 (4-6) Misener Room (then April 22)
- b. Other comments
