GOALS

To coordinate the public safety plans, policies, operations, and strategies of local government agencies to improve the local public safety system's cost-effectiveness and responsiveness to the needs of the community. To convene leaders from local governments, public safety, social service and education agencies, private service providers, and local communities through the county to collaborate on the development of solutions to problems in the intergovernmental operation of the public safety system. To coordinate polices to improve that system and use evidence-based strategies to address critical issues affecting community safety.

CONCLUSIONS

Hard year with the restrictions of Covid-19, but all community partners worked individually and unitedly to continue to serve the community of Union County by making remote means available to continue the services each provide. Budgets and grants were approved to continue services for adult and juvenile offenders and victim population as well as added services. Local Criminal Justice Advisory Council was created and both councils were brought into compliance with the statute and bylaws.
