Please tell us why you deserve to be elected to this position below in 100 words or less (box limits to 650 characters):

IN November I was appointed the Mayor position after a vacancy. I have been working on a number of projects, and would like to see them through completion. I have lived in North Powder for well over 40 years, and have worked in public entities most of that time. I believe I have good ideas and skills, and want the best for our community.
