Hello, my name is Lindsey Thompson and I look forward to running for position #5 on North Powder City Council. Some things that I hope to help achieve are creating more community driven events, more activities for youth, and creating more connection between city council and North Powder residents & businesses. As a young mother and being involved with local groups, I think I would make a great addition to the current city council team. I'm very driven to see our community thrive & to help community based businesses succeed!
