Please tell us why you deserve to be elected to this position below in 100 words or less:

Built trust with the council, city staff and community organizations. City liaison to Union County, Cove School District (Student activities, Trunk or Treat, etc.), Cove Community Association (Cherry Fair & Parade, Christmas Tree Lighting, etc). Supported city for clearer financial reporting and city staff support. We are making progress on our Land Development Plan and I want to finish that project. Proven successes and goals are built on honesty, clarity, ethics, and freedom to live rural. There is more work to be done and I want to continue to use my skill-set for the good of the City of Cove.
