SB 819 Re-Sentencing Application

The Union County District Attorney's Office will review every SB 819 resentencing request with the goal of promoting public safety by delivering justice. Great deference will be given to a sentence already imposed. Sentence Judgments are the product of careful evaluation by the defense, prosecution and a judge. The public and victims rely upon the finality of that process. Reopening an already closed case is of no small import to the taxpayers who pay for our system of justice.
