of stalls/horses:
of stalls/horses for personal use only:
stalls/horses used for commercial or trade purposes:

Required Attachments

- 1) A site plan
2) Structural sketch(es) of the exterior and interior of the structure showing openings, dimensions, # of levels
3) You may be required to provide proof of farm or forestry use

CERTIFICATION

I, _____, do hereby swear and affirm that my statements are true and correct. I further affirm that the structure will be located on property used for a farm or forestry operation and will be used in the operation of the farm or forestry operation as defined in the Oregon Structural Specialty Code. I understand and acknowledge that should the subject building be converted* to a non-agricultural use (e.g., garage, home-occupancy, etc.) I will obtain a building permit prior to such conversion. Failure to obtain appropriate permits may result in action to enforce the applicable building codes for such structure and use, including civil penalties. I understand that a post-occupancy inspection may be made to assure continuing compliance with the agriculture building requirements. *I understand a building used for forestry operations cannot be converted.

Site Plan Example

The following information and elements must be on your site plan. Multiple pages may be used. Please verify that your site plan contains each of the following elements listed below.

General Information

1. Owner's name, address and phone number
2. Assessor's map and tax lot number
3. North arrow
4. Accurate shape and dimensions of parcel or development site. Draw the property lines in a solid black line
5. Lengths of all property lines
6. Any adjacent public or private roads, all easements and/or driveway locations – including road names
7. All natural features on the entire property, which may include but are not limited to creeks, rivers, ponds, lakes, wetlands, ravines, and slopes.
8. Driveway location and parking areas – including the distance from at least one property line to the intersection of the driveway and the road (apron area)

Existing Structure(s)

1. Clearly label all existing structures on the property and indicate if these structures will remain or be removed. Existing Structures include: all commercial and non-commercial buildings, dwellings, shops, garages, barns, porches, barns, equine facilities, sheds, propane tanks, pump houses, etc.
2. Show distances to all property lines. If you have a large property you may want to submit a insert map.
3. Location of existing water source (ie. well, lake, pond, etc.) and distance from property lines and development.
4. Location of existing sewage facility (ie. tank, lines, replacement area, etc.) and distance from property lines and development.
5. Show the distances from all Natural Features to the existing development.

Proposed Structure(s)

1. Location of proposed structure showing distances to property lines and natural features. These proposed structures can be shown by dashed lines. Indicate dimensions of structures.
2. Distance of proposed development from roadways, water sources and sewage facilities.
3. Location of the proposed structure from existing development.
4. Direction and location of all slopes.
5. Location and dimension of all proposed water sources and sewage facilities.
