Pretrial Legislative Changes update (SB 48)

LOCAL:

- Tina Routt - Local early implementation is so far successful
- Lt. Nick Huelter - No real change to stats or jail numbers, consistent with what was already in place locally.
- Tina Routt - will check with other jurisdictions to see what they are doing with DUII arrests.
- All were in favor of proposed changes to PJO overriding circumstances to include exception for Misdemeanor DUII arrests to be released to sober 3rd party, when blow at .002, or when no longer visibly impaired as long as intoxication is the only overriding circumstance.
- All were in favor of waiting longer to decide on overriding circumstance of lengthy criminal history.
- Lt. Huelter – look at jail policy and email to the group, group will review and suggest changes so PJO and policy are consistent.
- Judge Powers will have signed updated PJO by end of the week and Chair Routt will disburse to LPSCC and Wallowa Co DA.
